

For Immediate Release:

**SuperShuttle International Inc. acquires Express Shuttle in San Diego and Los Angeles
Acquisition creates largest ground transportation service in Southern California**

PHOENIX (March 24, 2009) SuperShuttle International, Inc. announced today it has acquired Express Shuttle in San Diego and Los Angeles creating the largest on-demand transportation company in Southern California. The acquisition will substantially increase SuperShuttle's foot print in California and add to its already significant lead as America's largest shared-ride ground transportation company. The acquisition price was not disclosed.

The acquisition of Express Shuttle will add an additional 60 vans and 15 sedans along with 40 new employees as well as 75 new drivers who operate as independent contractors exclusively to SuperShuttle. Roger Moradi and Haji Moradi, owners of Express Shuttle will remain in their current management positions and will continue to be actively involved with SuperShuttle and its Southern California SuperShuttle team.

#####
