

For Immediate Release:

**Airport transportation just got easier  
SuperShuttle customers can track their van, book round trips and group travel**

***15 percent discount on all round trips now through March 15th***

PHOENIX (January 26, 2010) SuperShuttle, the nation's largest shared ride [airport transportation](#) service to and from 33 airports, launches its new website. The new website includes enhanced features including a "Where's My Van" tracking system so customers can know the exact location of their airport transfer. [SuperShuttle's](#) new website features include:

- New look and feel
- "Where's My Van" tracking feature for customers to see where their van is in relationship to their pickup point
- Upgraded booking engine capabilities including roundtrip; and,
- Personal registration pages for corporate accounts, Travel Agents and Tour Operators

Book online reservations and receive a 15 percent discount for all travel January through March 15, 2010 with SuperShuttle's "Winter Garage Sale". The "Winter Garage Sale" is only for residential customers and requires a round-trip booking. The promotion will also allow customers to build mileage points with participating airlines which include: Delta Airlines SkyMiles®, Frontier Airlines EarlyReturns®, and Northwest Airlines WorldPerks®, United Airlines Mileage Plus®, or US Airways Dividend Miles® programs.

In conjunction with our new website launch, SuperShuttle wants to promote parking your car in your own garage and letting us do the driving this winter," said Ken Testani, senior vice president of global marketing for SuperShuttle. Not only is this a good incentive to share a ride, but we want customers to know that sharing on SuperShuttle to and from the airport saves on gas, means fewer cars on the road and ultimately fewer greenhouse gas emissions."
