

**Northwest Airlines® and SuperShuttle partner up to Share Rides and Earn Miles**  
*WorldPerks® members who book a ride online with  
SuperShuttle or ExecuCar earn WorldPerks miles*

**PHOENIX—(April 22, 2008)** SuperShuttle and Northwest Airlines announced today a partnership to reward WorldPerks® members with miles if they book a shared ride on SuperShuttle to and from their home, office, or hotel and any one of the 28 airports in 23 cities served by SuperShuttle in the U.S.

**How it works:**

SuperShuttle will offer WorldPerks miles for customers booking airport rides online at [www.supershuttle.com](http://www.supershuttle.com). SuperShuttle customers will earn 50 miles in each direction for SuperShuttle or 150 miles each direction for ExecuCar rides booked online at [www.ExecuCar.com](http://www.ExecuCar.com). ExecuCar is a Luxury Sedan service owned and operated by SuperShuttle and is available in 11 cities across the country.

This is the third airline that SuperShuttle has entered into a frequent flyer marketing partnership. SuperShuttle also offers US Airways Dividend miles and Frontier Airlines Early Returns miles for reservations booked online.

“SuperShuttle is the only truly national airport shared-ride service in the country and we are pleased to be in partnership with Northwest Airlines who serves so many of our customers, said Ken Testani, senior vice-president of marketing and sales for SuperShuttle International. “We believe that offering frequent flyer miles is not only an additional incentive to book SuperShuttle reservations online, but also a reward for customers who know that sharing a SuperShuttle ride to and from the airport saves on gas, means fewer cars on the road and ultimately fewer greenhouse gas emissions.”

####

**SuperShuttle International**, based in Phoenix, AZ is a division of Veolia Transportation On Demand and a subsidiary of Veolia Environment (Euronext: VIE, NYSE: VE).
